“ Aaron oh how I miss you. Oh will have leftover earthly world 2 years ago this Friday the 29th. I'm so proud that I got to be your mom. I'm so happy that you have yourself a new body able to walk talk and eat your pizza. But I also am selfish because I wish you were still here. Not a day goes by that you don't pop into my mind. I know when you're around... I know when it's time to not cry because you let me know you're OK and doing great. Aaron Joe I love you with every ounce of me. You will always always be my "lol Mexican".
