

Alec Michael Kavanaugh

November 25, 1996 - August 19, 2023

Alec Michael Kavanaugh passed away on August 19, 2023, after bravely battling addiction for several years. Alec was 26 years old.

Alec was a compassionate, inquisitive, and incredibly humorous soul. Alec's remarkable intellect, with a genius IQ, led him to seek knowledge through captivating TED Talks, rather than spend time on social media. He found solace and joy in his love for animals and the water, even becoming a certified scuba diver at the age of 12. Music was another of Alec's passions that resonated deeply within his heart. He effortlessly played the piano and guitar, mastering both instruments by ear.

Alec was preceded in death by his grandmother Donna Kavanaugh and his cousin Nicholas Melvin.

Alec is survived by his precious daughter Astra Kavanaugh, with whom he joyfully spent the last week of his life, his loving mother Michelle Tener and his stepfather Matt, his father Scott Kavanaugh and his wife Kendra, his sister Ashton Teel and her husband Weston, his step-siblings Kelsey, Kyle, Ryan, and Kieran Tener, his grandparents Gary and Karen Boulware, John Kavanaugh, and Charlotte Tener, his great grandmothers Peggy Denton and Betty Wendt, as well as his numerous aunts, uncles, cousins, and friends.

Alec, your vibrant spirit, kind heart, and remarkable wit will be deeply missed by all who had the privilege of knowing you. May you find eternal peace and serenity in the universe above.

A celebration of Alec's life will be held Saturday, September 9th at 1:11pm at Lowell's Garden Terrace at Unity Village. If the weather does not allow an outdoor ceremony, the service will be held at the Filmore Chapel. Unity Village – 1901 NW Blue Parkway, Unity Village, Mo. 64065

In lieu of flowers, we ask that donations be made to Healing House, an organization dedicated to providing resources to those affected by addiction, www.healinghousekc.org. In addition, a trust fund will be set up for Astra's education. Please reach out to the family for more information.
