“ *What a sweetheart Alice was - and her memory still is! She was always thinking of others, finding ways to bring comfort where there was a tear, peace where there was a troubled soul, friendship to someone new. Her giving was nonstop, her love incredibly deep and her loyalty without boundaries. I will miss her going out of her way to drive past my house, with her dog as her co-pilot, and honking the horn to let me know she was thinking of me! What a treasure, and thank you for sharing her with us!!*
