“ *Angela is my youngest sister. I will miss her more than words can ever describe. Angela was one of the most caring people. She lived with and cared for our mother for 6 1/2 years, until just 5 weeks before she passed away. Our mother needed care at home after a stroke she had years ago. Angie helped me countless times when I was in need of assistance. No matter the time of day or what she was doing, Angie always came through. Angie loved her family, her many friends and Jesus Christ. She loved her cats and dogs and all animals. She loved her music - rock n roll and the blues. Rest in peace my beautiful baby sister.
