“ Dear Charlie and Family, We were saddened to learn of Anita's passing. The day after we moved next door, Anita came to introduce herself and bring us a welcome gift of homemade banana bread and tell us about groups (such as the bridge and garden clubs) that we might get involved in. She was a wonderful welcoming ambassador. As this was mentioned to several Lakewood residents, we were informed that "that is so typical of Anita". How wonderful to be remembered like that! Our sincere sympathy to all of you, Fred and Joyce Keenan
