

Anita "Pete" Seibolt

March 22, 1937 - October 13, 2021

Anita "Pete" Seibolt, 84, passed away October 13, 2021 after a ferocious 9-year battle against Alzheimer's. Last year Anita walked out of hospice care suddenly and continued to rebound until recently.

Anita was a life-long Kansas City area resident. She was married for 63 years to Bob Seibolt, who passed away in 2020. Anita was known for having a large heart and was always there for everyone. She worked for nearly 30 years at Avila University becoming the Assistant Registrar. She later worked for over 10 years for Center School District in Administrative Support. Anita was an enthusiastic equestrian at various times of her long life.

Anita and Bob joined the Base Community Council Air Force Association at Richards Gebaur Air Force Base and then Whiteman Air Force Base. She served in many roles and worked many AFA events over the years.

Anita is survived by daughter Joni, son Rob, granddaughter Danielle (Charles), grandson Justin (RaiAnn), 13 great-grandchildren, 4 great-great grandchildren, numerous other loving cousins, nieces, nephews, and friends.

In lieu of flowers, donations are suggested to KUMC Alzheimer's and Dementia Research in honor of Anita and Bob Seibolt. An informal memorial gathering is pending.
