

Anna Marie Amey

October 5, 1962 - February 18, 2023

Anna Marie Amey, age 60, passed away comfortably and peacefully on Saturday, February 18, 2023 surrounded by her devoted husband, loving daughters and beautiful granddaughter. She was born October 5, 1962, in Bartlesville, OK to Thomas and Marian Angotti. Anna grew up in Independence, MO where she met the love her life, Jeffrey D. Amey. They dated for 5 years and were married in August of 1983; shared a happy life together for almost 45 years. Anna lived her life to the fullest through simple pleasures; chatting with friends and her three sisters, visiting daughters on road trips, spending time with her four grandchildren, and creating holiday baking traditions that will be carried on by her family. She had an uncanny ability to reach people in a deep and positive way. She had a way of making her daughters laugh in the most meaningful moments and showing her love was always unconditional. Anna's love for her husband Jeffrey was never lacking and beyond measure. She is survived by her husband, Jeffrey D. Amey; daughters, Brianna (Ian) Farrell, Nicole (Guy) Trease, and Danielle Amey; grandchildren, Emma, Waylon, Walker, Herschel; sisters, Michelle Rethford, Angela Duree, Tommi Angotti; and many nieces, nephews and cousins. Anna was preceded in death by her parents. Family, friends and others whose lives Anna touched are invited to a celebration of life that will be held in later months to reminisce, grieve, support each other and, of course, just chat. In lieu of flowers, please donate to the National Kidney Foundation.

“ she took me to my first concert. I always wanted to go with her where ever she went but never got to. I was her little pest of a sister. I wore her high heels and clothes while she was at work. trying to be grown like she was. i wanted to be like her. Now here we are....I never thought this day would come. You just dont think about it as you go along living your life. I wish we would of hung out more and done and more things. One thing for sure I loved her and she loved me her little sister. I was ramona the pest and she was my "Beezus"
