“ *My baby girl, forever in my heart and mind, may be gone from this physical world, yet she lives on in my dreams and memories, and leaves behind three beautiful granddaughters who will continue her legacy. Her laughs and giggles remain alive in my mind, and her beautiful smile is imprinted forever in my heart.*

Cassie, Morgana, and Natasha are the continuation of her life and I will cherish them forever.

I love you, Anna. Forever my baby girl.
