“ I’m so sad to see this !! I was friends with Tony and his sister . We all lost contact but I literally had just been sharing the story of how Tony had convinced me to go to the beach to try to see the turtles hatching . I was going thru some stuff and did not want to go anywhere !!

There were so many turtles hatching and running into the surf it was the coolest thing I ever witnessed . I was actually looking him up to say , thank you ! Thank you for showing me something beautiful during a hard time .

He was always sweet and respectful and I’m so sorry for the family and children’s loss ! Praying for everyone’s comfort in his spirit is flying high and riding the waves 🐢👉👈🙏 . . If anyone ever has the chance he would want you to go see the turtles hatching 🐢❤️👉👈
