### BILLY JOE JOHNSON

The man. The myth. The Legend. Billy left this world on 2/14/18 at the young handsome age of 42. Billy was known as the "hardest hitting" drummer in KC. He achieved every goal he had set for himself. He traveled the world as a drummer. Hence his famous line, "I'm Billy Johnson, I've been around the world, I do what I want!". He played in Que Pryme, Rocket Fuel is the Key, Frogpond, Onward Crispin Glover, Pornhuskers, Shots Fired, Reggie and The Full Effect, Paper Cities & Black Cheerleader. Billy had a smile that would light up the room, the most genuine person that you ever met, loyal & loving. This explains why he had a f@#\$ ton of friends across the globe. He will be missed by the masses. He was a badass husband, father, son, sibling, friend and loved coins! Billy is survived by his wife Alia, daughter Alexia, son Gavin, brother Casey, sister Jacy & his parents Don & Sue Johnson.

A celebration of Billy's life will be held at Uptown Theater on Monday March 26th at 7:00pm.
