

Bonnie Jean Murray

December 11, 1961 - February 23, 2024

Bonnie Jean Murray, beloved daughter of Allen and June Tovey, was born on December 11th, 1961. She departed peacefully from this world on February 23rd, 2024 in her home in Blue Springs, after a courageous battle with pancreatic cancer.

Bonnie's journey on this earth was one filled with love, compassion, and dedication. She spent her entire career as a phlebotomist, serving patients all over the Kansas City area, touching countless lives with her care and expertise. Most recently, she dedicated her skills to Quest Diagnostics in Blue Springs, where her warm smile and gentle touch brought comfort to many.

Beyond her professional life, Bonnie was a woman of many passions. She found solace and joy in nurturing her garden, watching it bloom and flourish under her care. Music also held a special place in her heart, and she cherished every opportunity to see her favorite musicians perform live.

Bonnie's character shone brightly in every aspect of her life. She was known for her exceptional kindness, her infectious laughter, and her unwavering ability to see the best in everyone she encountered. Her loyal friendships and loving nature touched the hearts of all who knew her. As a mother, she poured boundless love and devotion into her children, Destin Murray (Tiffany), Meredith Adams (Jeremy), Toker Murray (Natasha), and granddaughters

Nora, Skye, Quinn and Maeve. They were her pride and joy, and she made sure they never doubted the depth of her love.

Bonnie Jean Murray was preceded in death by her father, Allen, whom she loved dearly. She is survived by her mother, June, her sister Vereta Leuty (Clayton), her nephew Zachary Leuty, and a host of relatives and friends who will forever carry her memory in their hearts.

A celebration of Bonnie's life will be held at the Fleming Meeting Hall at 21906 Southwest Woods Chapel Road in Blue Springs, on March 11th, 2024. The gathering will begin at 12pm with formal proceedings at 2pm. It will be a time to honor her legacy, share cherished memories, and find solace in the love she left behind.

In her passing, Bonnie leaves behind a void that can never be filled, but her spirit will continue to shine brightly through the lives she touched and the memories she created. May she rest in peace, knowing she was loved deeply and will be remembered fondly by all who had the honor of knowing her.

“ *Today I will go and celebrate your life my dearest friend. You have always been such an awesome unique person. Marching to the beat of your own drum and loving your life. I've known you since I was 15 and always admired the far out chick only you can be. Working with you the last 15 years has been so much fun. I'll never forget all the things we have talked about. The love you shared of your family always with a twinkle in your eye. Countless stories of your friends old and new. I cherish all the things we shared outside of work parties, holidays, backyard movies. Especially the times you brought Skye along and we made memories with my grandkids. To know you was to love you and I do! I'll miss your gardening advice and discussing our plants. I will plant sunflowers in your memory, please watch over them. Till we meet again your forever friend, Michele (Shelly)*

“ Bonnie has been my friend since Jr. High School. She was a very positive person and a ray of sunshine wherever she was. I moved to California just out of High School and we’ve remained in contact all these years. I visit once per year and we always saw each other to catch up and have some fun. She loved her family and friends very much and will be missed greatly. I want to send my condolences to her family and friends. She will never be forgotten and will always be with us and in our hearts. ✨❤️✨ 🙏🙏🙏
