“ Brad you were my Best friend when I was stationed at George AFB in miss pur adventures through southern California, Tijuana with Bert and shooting his rifles in the Mohave desert and of course the annual BigBear Octoberfests. I always admired how you never let that dirty bastard C hold you back from all your vacations/adventures. It's been 6 years since you departed and about 10 since I visited you in K.C. I was planning on a GAFB reunion of sorts and looking into renting some log cabin A-frames near Big Bear during an October fests in the future hoping you would win the battle. Peace -n- Love my Brother, try not to get Bert in trouble up there. I also miss our political talks I'm sure the insanity of the current administration would bring some colorful talk & expressions of the Chaos in its wake. Until we meet again, let the energy of the blazing sun warm your Soul. Peace my Brother.
