“ *To the family of Bradley McEwen:
Brad was a very quiet man in our apartment community. He was also quite a joy to have around. I will miss his daily trips to the store and him walking by my office to tell me good morning. Bradley will truly be missed here at Bethel Greencastle South Apartments. My prayers and deepest sympathy to his family.*

“ *My Dad was a quiet man but loving he had a different way of showing it but he did love. I love you Dad and miss you a lot.*
