“ I don't even know where to start . Back to when my then 4 year old put your checkbook in the toilet and you pretended to put her doll in the toilet. I love you and will miss you every day

“ Really just don't know what to say. She was a member of our family. I've known her for 32 years. She was funny, we would talk for hours in a day., There was never a dull moment with that chick. I'm glad I got to hold her hand. She will be missed. But she is exactly where she wanted to be. Godspeed, my friend.

“ So many memories. One time she won a karaoke contest. So she got to sing at Kauffman stadium before the Village people performed. It was super cool to be out on the field. Surreal to listen to her sing. She did sing Bobby McGee a lot. But ,to me, her go to song was What's Up by 4 non Blondes. It won her many contest & is what she sung at the K. ❤️
