

Brigitte Kaye Bennetts

December 11, 1969 - March 27, 2016

Brigitte Bennetts was born December 11, 1969 in Billings Montana to Dave Bennetts and Shari(Carpenter) Bennetts. As a young child she spoke of spending time with her Aunt Lee Ann and her grand mother. Her parents later divorced. At about age 10 her step dad, Don Speer, married her mom. Don had the privilege of raising her and played pivotal roles throughout the rest of her life. From ushering her as Honor Queen with Job's Daughters to taking her on trips the National parks out west. After graduating from high school she moved to Boston, became a Red Sox fan, converted to Catholicism and married her husband Jeff Shelley. From this union three gifts came. Laura, David (aka I AM A MAN, aka I AM the GLITTER NAZI), and Jeffrey(aka Peanut, aka Jefferson). Brigitte worked as a nanny and an Early Childhood Education Specialist. After Jeff acquired job training as a GM Mechanic he and Brigitte moved to the Kansas City area. As her faith faded she divorced Jeff and continued working in Early Childhood Education. This where she met Mickie and the rest of her Little People's Place Family. Mickie served as Brigitte's work mom and mentor. Brigitte in turn did as much as she could in that same vain for her younger coworkers. John and Brigitte went on their first date December 14, 2012 and hit it off. He slowly converted her from a Red Sox fan to a Royals fan, and returned her to faith. Together John and Brigitte studied their faith and traveled when time allowed. Brigitte passed peacefully on March 27, 2016 at 7:30 PM holding John's hand and having Mickie rub her feet, with Dustin(John's Brother) and Dom and Karen (her baseball friends)

were around her.

“ Although we grew up different, and as adults, lived different lives, we shared many years of doing, going, and seeing so many things...we went to the movies *WHENEVER* we could...would listen to tapes over and over to learn every word...eat in the North End, and go to Red Sox games...to many memories to list...I will always treasure how our lives meshed, I miss you, and will love you always....

Brigitte bringing fantastic fruit salads to our holiday dinners. She even brought one to Montezuma for our Thanksgiving here.

Brigitte introducing her Daddy and I to Lobster Rolls in Boston when we were there for her wedding.

Her Daddy and I taking Brigitte to her first Kansas City Chiefs game.
