

Brigitte Floyd

April 4, 1943 - March 22, 2022

My Woman..My woman..My Wife.

Ten years before KY .. '64..I brought home from Germany My Life..My love My Rock. She left her homeland and life for me. Moved with me across the country. When we got to KY 102 often I would come home and complain "this is real hard..I don't think I can do it." She would say "you told me you were born for this..now go do it." What success I had at KY or anywhere .. she was the reason. And so she died in the early Spring. Brigitte and I had a favorite quote..Robert Frost's "Miles to go before I sleep." Now you may sleep my love..now you may sleep. Watch for me..I'll be along directly. Master Gardner..Gourmet chef..career in photography..loving mother, wife and grandmother.

“ *My deepest sympathy Max and Kelly.
I am hoping that you will find comfort in knowing that others care
and are near in thought during this most difficult time.
May you find strength in the memories you shared together.*
