“ Our hearts and prayers are with you in your loss of Carolyn. We give thanks to God for our lifetime friendship with Carolyn. I've known her since I was 8 years old when she moved across the street and became our neighbor. I will always remember how Carolyn helped me when I was so excited and nervous to go on my first Homecoming Dance date because I didn't know how to slow dance, so Carolyn gave me a dance lesson.

Through each season and chapter of our lives, Carolyn shared in our family joys and challenges. We enjoyed wonderful visits together, lunches out for our birthdays, shopping at antique stores and celebrating Christmas together.

I will always picture Carolyn as the radiant bride she was walking down the aisle at her wedding with the most beautiful smile, her heart filled with her true love for Tony. Carolyn celebrated with us at our wedding and celebrated with us the birth of both our girls. She had a heart of gold remembering my mother, Jordan, Sophia and me each year at Christmas and our birthdays. Carolyn will hold a special place in our hearts forever.

*With All Our Love & Prayers,
Ruth, Mark, Jordan & Sophia Hoffman*

“ We send our deepest sympathy in the loss of your dear Carolyn. We met Carolyn over 40 years ago as our neighbor on Blue Ridge Blvd., Kansas City, Mo. Even though we moved several miles apart, we have remained close friends. We have shared many happy times with Carolyn. She was a very generous soul who shared her talents and helped in times of need. We celebrated our birthdays and Christmases. The joy Carolyn found in her flowers was a reflection of her love of life. The love she shared with us, our daughter, and granddaughters made us a family. Carolyn will always remain in our memories and hearts. We have each of you in our prayers.

Love,

Paul and Mary Ella Klingsporn
