

Cherri Dee Rector Burk

June 21, 1967 - September 17, 2024

Cherri Dee Rector Burk, 57, of Independence, Missouri grew her wings and went home to the Lord in the early morning hours of September 17, 2024. She had several health issues including Type one "Brittle" Diabetes which she'd had since the age of 14. Cherri had a lot of pain and sadness and heartbreak in her life. She always searched for happiness again after the deaths of her husband and daughter. Sadly, she never found that happiness before her death.

Cherri is preceded in death by her husband Mike; daughter, Heather, parents, brother, grandparents, aunt; uncle, 3 cousins and several more relatives on maternal and paternal sides.

Cherri leaves to mourn her death her only sister Stacy (Hector), Kansas City, MO; niece, Crystal; nephew, Travis; great niece Hailee; great nephew Demetrius; great great nephew Zion; great great niece Zariah; aunt Jessica; cousins Audra and Theresa as well as many other extended family and friends. A very special thank you to Jessica, Ciara, Dominic and Alex.

Sister, you are free now, no sickness and pain. No sadness and loneliness, only happiness. You are home with your husband and daughter and the rest of the family. I know you are smiling and happy now, you are free. Sister, I miss you and until I see you again, FLY HIGH SISTER, FLY HIGH!! You will be

forever missed and always in our hearts.
