“ No greater love than between Christie and me. I believe she is in the Star light now with our friends and family. Rest in peace and song our beloved. In remembrance we say their name and are with us again.

“ Christie was like a sister to me. I love her so much. We shared so many great times together. One of my most cherished memories was our California trip that we shared together! I will never forget her. She will always have a special place in my heart. May God bless her family and friends through this difficult time. My prayers are with all of you.
