On Wednesday, July 29, 2020, an angel returned home. Dale Allen Cheever II, loving husband, father and son passed away at the age of 33 after a long, courageous battle against cancer for two years.

Dale was born on July 13, 1987 in West Plains, Missouri to Dale and Pamela Cheever.

Dale was the true definition of a good person. He would help in any way possible. He worked for Under Pressure Property Services as a handyman for many years. He loved leaving clients and people satisfied.

Dale was a lover of video games, D&D and anything fantasy related. He was a founding staff member of LeagueKC . He lived his life one day at a time and believed in not stressing. "Is stressing gonna help? Nope. Then stop and don't worry", he'd always say.

Dale was sometimes too honest, but he believed in telling it how it is no matter how unpopular his opinion was. He loved joking around and making people laugh, especially family and friends. He stated that, "At my memorial people are allowed to be sad, but no crying. Just laugh and celebrate me"

“ We love you Dale. The impact you made on me and my business will last my life time. No job was too weird for you. You always said yes. I always appreciated you and I think you knew that. My favorite two memories were when you stepped through the ceiling on a house that was sold and closing at noon. We rushed and got it patched just in time for the new owner. Or when we removed the bloated animal everyone was scared of but you were not. You made a video for us all to laugh hysterically with you and watch. You were a good soul brother. Say hi to my grand parents and misty when you get where you are going! Rest easy brother.
