“ When we were just young guys, I played drums in the band Sky High with Danny and his fellow townsman Dave Skahan. We'd auditioned for and got signed on with Jackson Entertainment in Kansas City and that agency sent through Missouri, Iowa, and Kansas. Danny was a natural entertainer, good guy, --spent many fun times on the road, -- so many miles and hotels hanging out with him. Sorry to hear of his passing. We stayed friends all through the years.

“ Memories with Danny..Man,I have many,mostly of the times he would try to help Me and Gary further our Band..FLYYER.. Gary and I looked up to Danny for guidance,help,with trying to do and be all the things he already was.
The fun we had "jamming"..

“ I remember once a bunch of us were at Cindy's house in Bogard. He was practicing music. He had a device for his for to keep beat. It wouldn't work. He moved it here and there, still no beat. So, he picked it up and threw it on the floor! Guess what...it worked! We all laughed so hard waiting for it to fall apart. But it just kept working.
RIP, Danny.
