

David W. Martin

August 19, 1955 - August 13, 2021

David W. Martin went home to be with Jesus on August 13, 2021.

He was a master carpenter, a talented machinist and a skilled storyteller. David had a joke ready for every occasion and a lop-sided smile for anyone that greeted him. He was an instant friend to all who met him.

David was preceded in death by his granddaughter Alicia, his wife Katie and both of his parents Louis and Shirley. He is survived by his daughter, Beth, his son Daniel, and he was a proud Papa to Karlie, Jake & Payton.

David, 'Tugboat' will be greatly missed, but we are excited to see the house he is building for us with Jesus in Heaven.
