“ I feel like I grew up with all of my uncles and my Aunt Brenda. I know this is the circle life brings to each of us, but I feel sad that Uncle David is gone. It just feels like we Preator's have had so much loss over the past few years. It's hard not to be angry, but what helps is hearing Incle David's voice cracking some joke. Or giving my dad a hard time and then listening to the laughter and watching Preator mannerisms. I will miss you so much!
