“ My deepest sympathies and condolences for the Shewmake family & friends.

David was a great friend and a beautiful soul.

Dave lived with me for a short time in Florida.

He was always happy & mellow and a joy to be around.

Dave was ALWAYS smiling and that huge, constant smile of his is why I would refer to him as "Smiling Dave".

I am Blessed to have known Dave.

For his family, know that Dave is in Heaven, God is taking care of him and he knows nothing but happiness.

Please take comfort in knowing this.

God's Blessings ALWAYS.

Thank you James David was like a brother to me , I have never been impacted by the loss of a friend like David and I have lost a few , David visited me in a dream the other night and he was smiling ear to ear until i realized I wasn't awake then I panicked and when I tried to ask if he was gone I started gasping and couldn't get the words out and as I fell back he caught me and put his hand on my forehead and I woke up. Rest in peace beloved friend

“ *David and I were close friends for many years , he was a kind and gentle soul with a great sense of humor and he could really cook too , I was shocked to hear of his untimely passing and David will be greatly missed.*
