“ To Carolyn, Mark, Randy, Michael & Leanna,

Your mom was a very special soul that will be missed by many. I met her back when Loretta was expecting Alan Jr. She had broken her leg and had 3 small children. Delia had her hands full taking care of all of them. I went up to lend a hand with caring for Brenda, Loretta, and Alan Jr. She was always upbeat regardless of the situation. I know you can all attest to her cheerful personality.

I hope she and Loretta have a wonderful reunion with their parents. And I pray all of you will be comforted by your memories of her.
