“ *I met Debbie at a ladies Bible study at LBC. I was new to the area and the church and having a hard time connecting. Debbie immediately struck up a conversation, it was like she could sense I was feeling alone. She was so easy to talk to and her smile was so welcoming. She always saved me a spot to sit next to her and often called me to see how I was doing. We had a lot of things in common, chronic pain being one of them. When I think of Debbie Romans 12:12 comes to mind. Be joyful in hope, patient in affliction, faithful in prayer. Debbie exemplified all these things and I'm sure her joy now is overflowing.*
