Deborah Josephine White

August 26, 1955-February 7, 2023

If you're reading this, you know I no longer reside on this earth. I am now soaring with the angels in heaven!

I was lucky enough to have Gail and Josephine White as my dad and mom. (I just now joined them in heaven). Sharon and Carolyn were lucky enough to have me as their baby sister! Lol. I gave them fits.

I grew up in Bolckow, Mo. Lived along time in Springfield then returned to St Joseph the last few months of my life.

I married Arthur Nigh. We were blessed to have three wonderful children, Holly, Andrew and Ashley. I'm so proud of each of them. I love them more than they can imagine.

Grammy was my favorite name. My 4 grandchildren, Brett, Maci, McKinley and Everlea, called me that. I smiled every time I heard my name.

Maggie and Hopper were my forever furry friends. I wish we could all live and love as unconditionally as they did.

The rest of my family, my nieces and nephews, my friends, (you know who you are). I love you! I hope I touched your life as much as you touched mine

I guess this is the part I'm to say I loved fishing, long walks and ice cream. We'll, not particularly. I didn't like to cook or clean either! I did like to watch a good rerun of Gun Smoke or Jeopardy though. Ha. I did love writing poetry and singing.

I didn't want to leave you however I was blessed that God called for me.

Keep me in your heart. My love will live there forever

“ Oh Debbie you left me with so many wonderful memories to always hold on to. I'm just so sorry I didn't get to come back before you left us. I hope to get to meet your kids so I can share with them the early years of our lives lol some were good! My only wish is we could of found one another sooner than 35 years. Say hi to mom and dad for me, love ya!
