“ *She was such a beacon of light, I've never seen someone bring a smile to not just Brandon but the whole family's face like Nanna. She wasn't my nanna, but she sure felt like it and I'll miss her dearly. Rest in peace and power, you wonderful woman.*

Deb, I texted you on 2/16 at 10:12 pm only to look back later and see that you had passed 6 minutes earlier. I love you and I'm praying for your family. RIP my beautiful sister...

Deb, my stubborn, strong role model. I cannot form the words to let you know how important or wonderful you are and have always been to me but I will tell you this.... I've always known from the first time I met you how wonderful you were. You put up with my brother for too long, you were by his side when he was dying in the hospital, you and Wayne were at my wedding doing everything and anything you could do to help and when no one else could help gpa & gma Surritte, you were there when they were flooded out of their home. There are so many other times but then when you were handed this horrible diagnosis, you called me, shared the bad news and gave me the opportunity to be a part of the most amazing journey led by an incredible woman who organized a years worth of fight and strength that I will pull from in the most difficult times of my life! Your strength, grace, determination and true grit are characteristics that your children, grand children, family and friends will talk about for years! I love you so much my sister, I will miss you but I know there is eternal life and I will see you again!!!! Please stay strong, I'm praying for you, I love you and if there is anything I can do, do not hesitate to let me know! STAY STRONG and I LOVE YOU!!!!
