“ I want to offer my deepest sympathies to all of you. She was such a strong woman who fought so hard to not just survive but to enrich her family's lives in every thing she did. I could see that love every day when I looked online. I am so sorry for the sorrow you must feel and I can only hope with time the beautiful memories will cause warmth in your heart.

“ *Dee was an awesome Lady, Wife, Mom and Grandma. I met her when my son started dating her daughter Brittany. Later Britt and Wayne Jr were married and Dee and Jim and the rest of the family became our family too.*

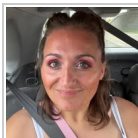

She was so good at sewing and crafts and just loving her family especially her grandkids. I have the privilege of sharing 4 of her grandkids with her and I can tell you she will never be forgotten and will be missed by so many.

Our condolences goes out to all the family. We love you all to the moon.

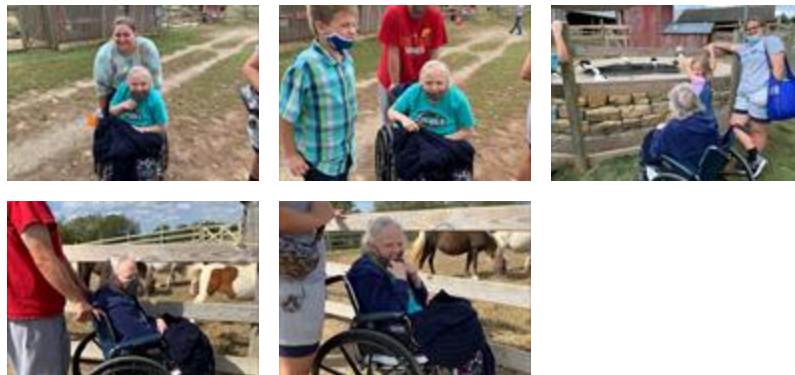

Cindy and John (Wayne's Mom) & Aniyah.
