“ *When Ed and Alice lived in Wichita, KS.....Corky and I use to babysit, Deanne, Deneice, Eddie, and Donna. We had so many fun times with them.....The biggest memory was making cookies late at night.....and if we didn't have all the ingredients..we would just go to the store and get them. We had so much fun with all of them. Deniece you touched my heart and my life and I just wish I could have been around you more. I will truly miss you and my thoughts and prayers go out to your families. Love, Janet (Goens) Lill*
