“ *Denise was truly a wonderful and treasured friend to me and I will miss her very much. We had some great times together both at work and outside of the office. She did love to cook, bake and entertain! She always remembered me on my birthday and baked a birthday cake for me and also for each of her co-workers. Please accept my sincere condolences for her family who she loved so very much. I pray that God will comfort you during this difficult time.*

*Love,
Monica*
