“ *Dennis and I shared our lives together 24/7 ever since 1997. We loved, fought, had good times and bad, but we were always there for each other! I am sad for myself and so happy for him that he is whole and free of the earthly body that gave him problems and pain. I will miss him and try to remember the great times we had just being the two of us together! I am going to love him forever and hold close to my heart our shared time together! Thank You God, for sharing him with me, if only for a season!* ”
