“ I have so many memories of Denri, as he was such an important part of my childhood, from 6th grade on. Almost every memory I have during those silly, crazy, and fun years, includes Denri. He was there to save and protect; he was more than another brother, he was a dear friend. Tina

“ I am so sorry to hear about Denri. I have many fond memories of Shawn's next big brother. I am also an only child, and spent a lot of time at the Kelly home from 1st to 4th grade. The Kelly's always made me feel like I was part of their family and I always felt comfortable in their home. I ate many meals there and I went to several midnight Masses at Visitation on Christmas eve with Shawn and her brothers. My thoughts and prayers are with you.

Very sorry to hear about Denri, he was always a kind person and helped me out as much as he joked with me..and he joked and played A LOT! he is one of the reasons I made it as long as I have at work...there aren't many people, friends, or fisherman left like Denri. He will be sorely missed but remembered dearly in the hearts of his friends at Ford...he is our family, he is our brother just like we were to him. My thought and prayers are with you all.

“ I am so sorry to hear of Denri's passing. I am an only child, and Denri was like a big brother to me during junior high and early years of high school. My deepest condolences to Shawn, Troy, Rob, Cherry, and all of his family I have not met. RIP Denri. You will always be in my heart.

*It will be the little things that you will remember  
the quiet moments, the smiles, the loud laughter.  
And although it may seem hard right now,  
it will be the memory of these little things  
that help to push away the pain and bring  
the smiles back again.*

*Just to let you know how very sorry I am to hear of Denri's passing.*

*My sincere condolences to all of the family.*

*My deepest condolences to Pat and Nathan. My heart goes out to you.  
Denri was a great guy...I still remember the first time I met him back in  
the mid eighties. I could tell that night he had a good soul. We did not  
see a lot of each other over the years, other than the holidays, but he  
was always upbeat and fun to be around whenever I did see him. Too  
many great "Denri Stories" for this post. I am sad he is gone, but  
grateful that the pain can no longer touch him.

*Although I am a few years older, my younger brothers and sisters in  
our large family have always brought up and relived the great, wild,  
and fun times they had with Denri in our neighborhood near Visitation  
to this day. In reflection, they see that there were things that his life  
taught them. When our mission on this earth is complete, and our joy  
has been spread, we are called to heaven. We ALL have a divine  
purpose. There is good in all of Gods creations. Thanks, Denri, for  
helping my brothers and sisters grow mentally and spiritually from your  
life lessons you taught them. I know they will spread the love. Dr Tom  
Taylor, DC.*
