

## Dinah Feinberg

April 6, 1953 - January 28, 2026

It is with deep sadness that we announce the passing of our mother, Dinah Feinberg. Dinah passed away peacefully at home on January 28, 2026, at the age of 72, after a long illness.

Dinah was born Dinah Harris Woodward on April 6, 1953 in Katona, NY. After moving to Kansas City, she married Lawrence Feinberg in 1973. After raising her two daughters with unending love and patience, Dinah went back to school to earn a degree in Social Work and worked in that field. She later worked as a Health Aide, providing compassionate care for seniors in their homes.

Dinah was a lover of the arts, and possessed both musical and artistic talents of her own. She was an animal lover who rescued many dogs and cats throughout her life.

We will miss Dinah dearly and will remember her for her warmth, her sense of humor, and for her devoted care to her elderly clients, her daughters, and her grandson.

Dinah is survived by her daughters, Laura Fleming and Elise Feinberg, and her grandson, Jackson Menghini. She was preceded in death by her former husband, Larry Feinberg, and her parents, Van Woodward and Dorthea Harris

Woodward.

The family thanks KC Hospice for their compassion and support.

In lieu of flowers, those who wish may make a donation in Dinah's name to the Pet Resource Center of Kansas City.

“ *Dinah was not only brilliant but also a compassionate loving soul. As her sister in law I remember her visits to us in PA and our visits to KC at De’s home. We always called De: Muey. Jeff and I were aware of how brilliant Dinah was. She struggled with her mind and was hospitalized as a teenager. During this time she had a friend who introduced her to Larry. Dinah’s life was not an easy one but she found happiness with her daughters and was always positive. The obituary brought tears to my eyes. Rest and peace free from pain, dear Dinah.
