

Donie Scarkino

January 11, 1968 - December 16, 2015

On December 16, 2015, Donie "No Middle Name" Scarkino died of Renal Cancer. He has joined in death, his father (Richard Scarkino, 1998) & his mother (Mary Gonzales, 2010). Though I'm sure he was greeted by them, he leaves behind a brother, Ron Scarkino, sister, Ginger Scarkino- Cusick, who was honored to care for him in the final stages of & cousin, Wendy Scarkino. He was also very close to his niece, Caelynne & nephew, Addym of the home. As per his request, there will be no service. He felt that he said goodbye to the ones that mattered to him.. He was a fun, sarcastic, & brutally honest man & he is already so very missed. He was only 47.
