

Dwane E. Heavin

August 31, 1951 - December 24, 2021

Dwane E. Heavin, 70, from Kansas City, KS went to be with the Lord on the afternoon of December 24, 2021. After being on hospice for three weeks in the home and company of the person he loved most, his daughter Brandy. He is survived by Brandy Butcher, her husband David and two grandsons Owen and Parker Butcher. He is also survived by two brothers Willie and Terry Heavin of Albuquerque, New Mexico. He was preceded in death by five siblings.

Dwane retired from Owens Corning where he was a machinist, he previously worked for the Darby Corporation, Santa Fe railroad, and Clarkson construction where he enjoyed working on the AT&T pavilion downtown.

In 2019 Dwane was diagnosed with the rarest form of a rare disease called hereditary familial amyloidosis. If you so wish a donation to The Amyloidosis Research Consortium in my dad's memory would be very much appreciated.

Dwane was a Christian. He enjoyed simple things in life like camping, biking, toy collecting, and spending time with his daughter and grandsons. He had a wonderful sense of humor and a unique way of looking at things. He will be greatly missed.

Please feel free to share stories on this site or on FB on Dwane or Brandy's
