“ *Dee was a pioneer in the tnr rescue community. She alone is responsible for thousands of saved lives. When she fell ill and was ready to hand it over to us newbies, we really couldn't have asked for a better mentor. I'm having visions of many animals meeting Dee at The Rainbow Bridge, guiding her through her new home. Give my babies a kiss, Dee. I know you're in a happy place.* ”

“ *Altho we never met in person, Dee was always welcoming on Facebook and helped me work thru any cat related issue I presented (and some were challenging!) The rescue world lost a true advocate My deepest condolences to her family for such a huge loss. .* ”

“ *I'm saddened to learn of Dee's passing. She was more than a rescue friend. She was there for me when I became a single mother many years ago. She helped me care for my home and taught me a lot about caring for cats, tame and feral. Dee was a caring person and she will be missed. My kitty Layla that I had gotten from Dee and who she asked about often, passed away just 9 days before Dee. I know they have joined at the Rainbow Bridge.* ”

“ Dee and I were FB friends for a really long time. We shared a similar worldview and a deep love and appreciation for the Not Quite Tame. Sending condolences to her family. She was wonderful.
