

Edward Brien Barton

November 30, 1966 - January 5, 2023

Ed Barton, 56, of Kansas City, Missouri passed away peacefully on January 5, 2023 from cancer at Saint Luke's Hospice House, Kansas City, Missouri.

Ed was a graduate of Bishop Miege High School in 1985. He worked in maintenance at various hotels and with the City Housing of Kansas City. Up to a few months before entering the hospital, Ed worked part-time with Ace Hardware in Brookside. No matter how physically painful it may have been, Ed tried very hard to provide for his family until he could no longer work.

Ed loved to tease and joke with a straight face. There were times when you never knew if he was serious or not – usually not. At a young age, Ed became a member of Boy Scout Troop 118. He was on the Wrestling Team during high school and later received the advanced green belt in Karate - and was proud of receiving the trophy for “Perfect Form”. Ed also loved golf, was an avid Kansas City Chiefs fan and loved vacationing with family – especially trips to Branson, Missouri.

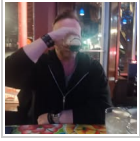

Ed leaves his wife, Michelle, his son, Joseph, his daughter, Madison; his parents, Maria and Joe Barton; his brothers, Sean Barton and Jason Barton, all of Kansas City; his sister, Vicki (Robert) Angleton of Killeen, TX. He leaves nephews, nieces, cousins and close friends with a special place in their hearts. We will always remember “Eddie B” as he was affectionally called by

his loving family.

Visitation for Ed will be held on Saturday, January 28, from 9am to 10am at St. Peter's Catholic Church, 815 E Meyer Blvd, Kansas City, Missouri, 64131 with a funeral mass at 10am. Burial will take place immediately following the mass at Mount Olivet Cemetery, 7601 Blue Ridge Boulevard, Raytown, Missouri 64138, returning to the church for a lunch reception.

In lieu of flowers, the family requests contributions to the American Cancer Society online at <https://www.cancer.org> or by calling 1-800-227-2345. Online condolences to the family may be left at www.reflectionsmemorialservices.com

“ *Ed always would ask about the comics I read. He'd talk about collecting X-Men and things like that with me at some point when we all gathered for events or holidays. He was always interested and asked how the comics were different. I don't think we had the same talk once- we didn't talk much about comics after a now infamous board game incident...We've not been in touch much in a few years and I was glad to get to see him one last time as well. I hope he finally gets to rest and I hope he knows how much his family loved him. Goodnight, Ed.*
