“ *Such A Wonderful Blessing to Know Miss Eileen!! ❤️ I worked with her At Deffenbaugh Industries for many years.*

*She was the sweetest most loving friend to me. We often went to Applebee's for dinner and always laughed & cut up together. She was so full of Life & Such a Joy to be with. I remained very close with her & spent time with her at her Overland Park Apartment & with her in Warsaw with her daughter & grandchildren. I was so thrilled to be able to see her in March when I was in town. Our memories we shared will be me forever. Especially the Bars we visited & bought T-shirts at together!*

*I Love You My Darling is What she always said to me. ❤️ Rest Well Now My Beautiful Dear Friend ~*
