...And while she lies in peaceful sleep, her memory we shall always keep.....

"Grandma Glenda" left us August 11 peacefully in her bed. She is survived by her sister Sheila, daughter Nicole, closest to her heart Jacob, her grandson , and her fur babies Summer, Bella, and Moses. She she also leaves Sherrill Hackett, Christie and Dana Marsh. Loving and patient she gave our lives more meaning than she ever knew. She was strong and steadfast. We looked towards her for guidance and support. We can still feel her love, hear her voice and laughter, she left a hole in our hearts that will always be filled with her memories. She will forever haunt us happily, for this was her promise. Sweet dreams, for we shall meet again.

“ Sheila & Nicole,

I am so sorry for your loss of Glenda. We went to school together and our first year in college. I lost touch with her after that. May you all find peace knowing that God called her home.
