In Memory of Glenda Lee Switzer

Glenda passed away on July 8, 2019 at age 73. Her surviving relatives include: a daughter, brother, two grandchildren, and a niece and nephew. Toward the end of her life she had less mobility and had to rely on a wheelchair to get around. However, that didn't stop her from living life. Glenda enjoyed family visits, getting her hair and nails done, and attending holiday parties. Her hobbies included reading, watching movies and shopping. She especially liked to have lunch with her friends and had great interest in people's stories. She wasn't shy, so she would often go up to people and engage in conversation. She had a beautiful smile and laugh that her family and friends will always remember.

Even though she has passed, she lives on through her family. Celebration of her life will be a family gathering. Glenda, we love you.
