“ Heather was my very best friend for more than 12 years. Even though she's in Heaven now she remains my best friend! She had a smile that would lite up a room and a laugh that was contagious! She had the kindest soul of anyone I have ever met. She saved my life more times than I can count. She was my sanity when I was crazy. I will miss her every second of every day until we meet again. As painful as lossing her is... I would rather have 30 seconds of wonderful than a lifetime of nothing special!  
I love you bestie! You will forever be my hero!
