“ I was a student of your Grandmother Mary Ann Sims. Was just looking through photos, thinking of times, and such. You may not remember me but I was the kid with long blonde hair that was always waiting on a cab to pick her up. I loved you all so very much. Every time I came back to visit Olathe I drove by. I have a very, very special memory I would love to share sometime if you would like. It's SO much like her! She literally slapped her knee in view of that window view of the informal dining area! I loved her dearly! Well wishes and love to you and yours! God Speed

“ I was hoping that you might be alive and related to Mary Ann Sims your mother the dance teacher from only the Kansas but I'm not sure if I had the right person well rest in peace I found my mom to scrapbook when she was dancing in 1956 and in the paper all the time from only the Kansas and all her friends dancing with her I was hoping to find one or two of them still with us but they would be in their 80s I'll rest in peace I wish I could try to find some of my mom's friends in these photographs that might still be alive she was Laura Baker from only the Kansas and unfortunately she passed away last year in 2021 due to breast cancer and I'm her daughter finding these amazing dance scrapbooks and all these newspaper clippings that she was in in 1956 and only the Kansas where she was from.
