“ *I meant Nana and John 7 years ago when I started working with John through trademark services I have such wonderful memories of Nana she was a very sweet and dear lady she welcomed me into in her home and treated me like family her kindness was beyond anything I had ever witnessed she was a go-getter and she was funny and had a great sense of humor her family was first and foremost in her life. She was very inspiring to me to watch her take care of John and the caring and love that she had in her heart for Him I will miss her, and I loved her like a mom bless the family prayers go out to the family ,and a special prayer for John. Rest in paradise Nana. love,Gayle*

“ Tuff and I remember when she sold her house in Willow Springs. We were outside and Tuff discovered the for sale sign by the garage. We had driven Aunt Blueeyes and Uncle Carl out to visit. We went in the house and Tuff asked her if she was selling her house. She told him you weren't supposed to see that sign. She didn't want her sister to know before she got the chance to tell her about it. The rest of the time we were there all Aunt Blueeyes talked about was all the stuff she had to pack up. We all got a good laugh out of it. Just so many memories over the years we will always remember the great times we had with her and the Missouri Family.

Love you all!! She will truly be missed!!!
