“ I was shocked and sorry to learn of Helen's death. Unfortunately, I only found out today when I was unable to reach her. My name is Pat Ross, I was the middle child of Mae Rider so Helen was my first cousin. Growing up, Helen was very close to my older sister Lois. In recent years she and I kept up with family news over the phone. Helen was the most genuine and caring person I have ever known. I have always thought of her as an angel on earth. Condolences to the friends and family who will miss her loving presence.
