“ Leroy you were one in a million. You had a caring and good heart. I drove a lot of your cars which I appreciated. You will be missed because you were greatly love by everyone that got to know you. Jerry will certainly miss you also all the family. The place that you made in this family will stand empty, because no one will be able to fill it. Linda and Ivy hang onto the nail scarred hands of JESUS. HE will give you peace, comfort and love. Love you all Wilma

“ my favorite and most memorable things about leroy is the many ways he could tell a story or an event that happened,he could make you laugh so hard you were in pain. I cant ever remember him being sad,and if you were sad he would make you laugh,I am his sister and thats how i remember him. He was a man who dearly loved his family his wife linda whom he was always cracking a joke about,and his daughter Ivy,but he especially loved his grand-children, I will miss him dearly,GOD BLESS YOU FOR BEING A PART OF MY LIFE.

“ There was nothing my dad could not do. He was a "Jack of all Trades and Master of None". I don't know what I'm going to do when I have questions on how to build or fix something, he always had the answers. Our last project is my beautiful deck. Every time I look at it, I will remember that it was the last thing we built together. We had so many things left to do. He was a great father, husband, grandpa, and friend. I don't know what we will do without him. He called me every morning and would ask "if I was out of bed and had my coffee yet"? He will truly be missed.  
I LOVE YOU and MISS YOU  
your daughter
