“ I am so sorry to hear about the passing of Jaime. My family owns a shop down the street from where he lived and has known him for years. It was always great to see him walk by the shop with his dog and say hi! We also always knew it was him driving by because his van was unique. He was the friendliest person I have ever met and never ever missed an opportunity to say hi or stop for a chat. He was also so incredibly helpful! Just such a genuine person.

We had been really concerned about him because we saw his home had been empty and hadn't seen him driving around anymore.

My condolences go to the family, I am so sorry for your loss.
