Branson, MO — James Flood, 81, passed away peacefully Thursday, August 13, 2015 at 5:57pm at Mercy Hospital in Springfield, MO after a short illness. Born in Benton Harbor, MI on November 10, 1933 to Frank and Ida Flood, Jim graduated from St. Joseph Catholic High School in 1950. Jim then enlisted in the Air Force to serve during the Korean War. Jim graduated from University of Michigan in 1962, and worked his whole career – 35 years – for Ford Motor Company in Dealer Development.

Jim was an avid sports fan and loved baseball regardless of time of day, time of year or city. He would fondly watch an historic game, as well as loved attending spring training.

“ *On rare occasions do you see a man who lives a life where he gets the important things right. Namely, having the right relationship with God and letting that love overflow to how he treats others. Simple in concept, but hard to execute. It's a masterpiece that only a skilled craftsman can do. That skilled craftsman, Jesus, did exactly that through Jim Flood. What a blessing it is to witness the work of God in a man's life.*

“ *Jo & Family:*

It is with a heavy heart that we grieve with you on the passing of your husband, Jim. I remember fondly all the years that we worked together at Ford and with you and Linda on the DD Alumni Association meetings. It seemed that Jim was always happy in every-thing he did, but probably the happiest when you were able to retire to Branson and live out your dream together. Like Jim, I have always been an avid baseball fan, but Jim definitely had me beat with all the trips to Tiger spring training. I am sure he got to meet many of the players and prospects over the years and I am sure if they knew of his passing they would be shedding a tear or two also. God probably has reserved a special seat for him right behind home plate at the "Angels" games so he can continue to enjoy the action. God bless you and let his light shine upon you and give you His peace during this difficult time.

“ I met Jim when he joined DD and was assigned to the Detroit Branch George Callis was the Branch Mgr. I was given the task of training Jim as a accounting Rep.As it turned out it was easy and the best job I every had. Jim took to it like a duck to water. Jim and I traveled together.during that period and we became very good friends. During dinner we talk a lot about family and life in general

Jim was a stand up guy and his passing creates a big void

“ On our travels we heard of Jim's passing. Even though we cannot attend the memorial service we will be praying and be there in spirit. Our Lady of the Lake lost a very dear parishioner. There will be a big void in many of the ministries.

“ Patrick and I had the honor of being seated at the table at a family wedding with Jim and Jo. I did not know them well, had met them at family reunions , after that evening I felt I had know them all my life. They were both so welcoming and loving. The beautiful thing was seeing the love they shared for each other. Patrick and I send our love to Jo and the family. Jim will be missed, but now we all have another Angel we can call on by name. May the love and peace of our Loving Father be with all of you and may you find peace in all your memories and blessings of having such a great man in your life.

With deep love and respect,

Patrick and Heidi

“ Dear Jo and and all the Flood Children and Grandchildren,
So many special moments have been shared over a very long time.
Jim loved baseball and would always would go to Kissimmee,
Florida for spring training. Later Jo and Jim would head up to the
Villages to sit behind home plate and watch the seniors' softball
games with great delight. I loved joining Jo and Jim with my mother
Mary Jane for dinner and conversation at one of the villages
restaurants. What a couple! What a family! Great life long friends!!
Stay strong in your Faith and know that Our Lord welcomes Jim with
open arms and warmth beyond our imagination. Your family is truly
in our thoughts and prayers. Love always, John and Colleen
