“ To my Dixie Chick singing, beer drinking, granny loving, checker playing, bridge diving, bologna sandwich making, road tripping party animal I hope that you're up there giving em hell. Going to miss all your shenanigans that you and mom could get into ❤️ I hope you find the biggest Natty Light fountain there is. RIP Jamms

“ *Special memory with my Homie...Jammie and I was sitting on the tailgate of my truck drinking a beer and listening to One Man Band and Tennessee Whiskey. He had stated that Tennessee Whiskey isn't smooth. I'll miss our time together. RIP Love you, Little Sis*
