“ Jeff - my brother my heart. You were always my biggest supporter and most loyal fan. How will I ever go on without you. We were so close all our lives. My heart aches and I grieve your loss. I pray you are resting in peace with Jesus, where there is no more sorrow or pain. I will miss your laugh, your humor and your uncanny wisdom. Until we meet again. My love always ... Tracey

Jeff ~You will be forever in my heart ❤️ I will never forget the life we had together~the regret the years we lost but grateful we had the chance to make amends a few years ago and became friends. You will always be my true soul mate. I'll never forget. Go rest high on that mountain, your work on earth is done. Until we see you again, know you are missed. ❤️
